“Stop the Clock”

- May be initiated by eligible academic appointees who are parents (mothers and fathers, adoptive or natural)

- 50% or more responsibility for the care of an infant or newly adopted child, under the age of five

- Stopping the Clock is not a leave

- It is a stoppage of the tenure clock (or probationary period) for eligible academic appointees and will automatically defer a Mid-Career Appraisal and/or tenure or promotion review by one year
Campus Policy (one step process)

- Complete the “Childrearing Stop the Clock Certification Form” UCI-AP-92
  - Must have been initiated before the end of the faculty member’s third year (by June 30) and automatically defers a Mid-Career Appraisal
  - If notifying after the Mid-Career Appraisal, must have been initiated before July 1 of the academic year in which a tenure/promotion review is to occur

- After the notification has been acknowledged, the tenure clock will automatically be stopped for up to one year for each event of birth or placement; total of time off the clock does not exceed more than two years in the probationary period

- An academic appointee must provide notice to “Stop the Clock” within two years of the birth or adoption of the child, and before July 1 of the academic year in which a tenure/promotion review is to occur
